Terms and Conditions:

We use Maderia Rayon and Poly threads depending on the job and material, we currently have 40 basic colors in stock. **If you require an exact thread color, please check with Silva Screenprinting prior to placing your order. Some thread colors and styles are special order only, which will require longer processing times.** A 3% damage rate is allowed for any items damaged during production, if exact numbers are needed please provide 3% overage. Customer supplied merchandise is assumed correct for color, size and style. Garment check-in service is available for a fee. Customer is responsible for all approved artwork and is aware that actual thread colors may appear differently on computer screens. Customer is responsible to check thread color cards for color reference. Customer also understands that artwork sizing on proof should be measured by actual dimension and not visual representation.
